School:	West Herts College	Posted:	1st February 2019
Location:	Watford, Hertfordshire	Expires:	16th February 2019 12:00 AM
Contract Term:	Permanent	Start Date:	As soon as possible
Salary:	Up to £20,500 per annum	Job ID:	1028526
Hours:	Full Time	Job Reference:	9860

West Herts College

The School of Engineering is looking for a full time Learning Assistant to support our students with theory and practical activities in Plumbing.

This exciting opportunity will allow the right individual to pass on their knowledge of the Plumbing industry to students of all ages.

This is a hands on role in our workshops, supervising and coaching students whilst assisting the tutors. If you have a real flair for passing your knowledge on to others, a strong sense of responsibility and the ability to act as a role model, this could be just the job for you.

You will support with the setup and preparation of classrooms, workshops and resources; working to ensure all equipment and stock is maintained and meets the needs of the students and industry requirements. You will be able to assist students with their practical work and impart your industry experience to further develop our student's employability skills relevant to their career goals.

The successful candidate should have current industry knowledge and ideally, have qualifications at level 2 & 3.

West Herts College is a Further and Higher Education College and we aim to do the ordinary things extraordinarily well. This role is based at our well-equipped industry specific Kings Langley Campus.

**The closing date for application is Friday 15 February 2019.**

**The successful candidate will join the School of Engineering.**

**For salary information please contact a member of the Human Resources team.**

**West Herts College is positive about disabled people. If you need help applying for the role please contact the Human Resources team.**
