Derby College

The multi award winning Motor Vehicle department at Derby College is looking for a high performing individual to join the team as a Curriculum Support Assistant. We are looking for applicants who are currently working in or have previously worked within the Motor Industry as a vehicle technician and qualified to a minimum of level 3 in Light Vehicle Maintenance and Repair. We are really passionate about developing and preparing learners to gain the skills and knowledge needed to enter this sector and are looking for similarly minded people to join our dynamic team within our state of the art facility.

The role of the Curriculum Support Assistant is very significant to the success of the team and is designed to support both the students and teachers within workshop lessons to ensure that a high quality learning experience is achieved. This will involve working closely with the delivery staff to identify and deliver strategic support and coaching of students.

A minimum of level 2 in both English and maths is also required for this post as embedding of these two topics is essential in our move towards outstanding teaching, learning and assessment. If you think you have the skills, drive and motivation to transform learner potential into successful learner outcomes, then this could be the opportunity for you.

Safeguarding Statement:

Derby College is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
