Bridgwater and Taunton College

Salary: £25,740 - £27,452 per annum

Location: Bridgwater Campus

Our Engineering Department is an outstanding section that has seen considerable success in all aspects of Teaching, Learning and Assessment (TLA). The Department delivers a wide range of educational and training programmes for full time, part time and employer sponsored students up to and including HE. Programmes include: Foundation, Advanced and Higher Engineering Apprenticeships, Engineering Standards, L2 NVQ in Performing Engineering Operations, 14-16 Engineering Diploma, Engineering GCSE, BTEC Diplomas and Extended Diplomas in Manufacturing, Mechanical and Operations & Maintenance, Aeronautical and Electrical Engineering, C&G L3 qualifications in Welding and Fabrication, Maintenance and Production, Foundation Degrees and HNCs in Operations, Mechanical, Nuclear, Electronics and Manufacturing. We have particular expertise in CAD, CNC, Robotics, Welding and Fabrication and Instrumentation and Control.

We work in partnership with employers to ensure the provision is of the highest quality and relevant to industry needs. Employers we work with include, MoD, Thales, Atkins, Numatic, EDF Energy and Refresco Gerber Foods. Whilst the core of our curriculum remains focused on manufacturing and production engineering, we are continually adapting and adding to our portfolio in order to meet strong and growing employer demand.

The Department also delivers a substantial amount of contract commercial work for employers. All of this is delivered in the outstanding state of the art Engineering Facilities located in our Energy Skills Centre and Advanced Engineering Centre at Bridgwater. We are looking to appoint a full time Trainer / Assessor, to recruit, support, train and assess Engineering Apprentices to ensure the achievement of Engineering qualifications. Successful applicants will have previous experience of providing in-company assessment or training and hold an assessor qualification. Relevant industry experience and an understanding of vocational qualifications are essential, along with the ability to travel between multiple sites.

Application closing date: 12 midnight, Sunday 30 June 2019

Interview date: Thursday 11 July 2019
