City and Islington College

About the role:

You will be responsible for teaching a variety of occupational units on all levels of Public Services programmes which includes level 1 to 3.

About you:

With appropriate experience and qualifications reflecting a strong background in Public Services education, you will need to have a teaching qualification or the commitment to undertake one during the first 6 months of your contract. You will need to have a history of teaching or have the relevant experience in a subject / area relevant to Public Services as well as having the ability to communicate with students and to motivate and support them in their studies.

About us:

We are the largest college group in London. Our colleges include City and Islington College, Westminster Kingsway College, and The College of Haringey, Enfield and North East London. We are committed to success through equality and diversity.

City & Islington College is a successful further education college based in the London Borough of Islington, delivering a wide range of academic and vocational courses. The college has five centres and enrolls over 11,000 students, including 4,500 16-18 year olds. City and Islington College is the first choice Further Education College for thousands of young people and adults across London. It achieves excellent academic results year on year for its students and creates pathways to careers for people of all ages.

The Centre for Health, Social and Childcare in Holloway delivers Health, Education, Care, Hair & Beauty and Special Needs courses to 1600 students, up to higher education level.
