Farnborough College of Technology

We are seeking a qualified professional to teach Floristry up to Level 3. This is initially a fixed term role until 31st August 2020.

Ideally applicants will have taught at this level previously, hold at least a degree or equivalent with a recognised teaching qualification, or be willing to study to gain the qualification.

In addition, you need to be an enthusiastic and motivated individual who can engage with FE students to ensure that they reach their full potential.

This is a superb opportunity for a first-class applicant to teach in an Outstanding College. In turn we can offer you interesting and varied work with an excellent benefits package.

Farnborough College of Technology is an Equal Opportunities Employer.

Farnborough College of Technology is a Disability Confident Committed employer. Where applications from disabled candidates meet the minimum criteria for a job they will be offered an interview.

Where we have a high volume of applicants we reserve the right to close the vacancy before the published deadline, so early application is advised.
