Scaffolding Tutor

Job type: Permanent
Salary: £25,092 - £29,254 per annum depending on experience + Benefits
Hours: 35 hours per week (+ 5 hour paid lunch)
Location: HMP Oakwood

Do you want to make a difference to people’s lives, inspiring them to achieve and realise their true potential? If so we have the right job for you!

Nacro is a national social justice charity with more than 50 years’ experience of changing lives, strengthening communities and reducing crime. We house, we educate, we support, we advise and we speak out for and with disadvantaged young people and adults.

We are the largest not-for-profit, independent training provider in the country and we have recently been awarded Ofsted “Good”.

We are currently collaborating with Novus to deliver an innovative education service across the West Midlands with the aim to empower those in custody to take the opportunity to begin on a career path and to ensure they develop the relevant skills and technical experience to move towards an Apprenticeship and/or employment on their release from prison.

To support this goal we are looking for two experienced and motivated individuals to teach scaffolding skills to adult offenders at HMP Oakwood.

You will be passionate about learning and will have the ability to work in a challenging but highly rewarding environment, be adept at defusing conflict, and working strictly to protocol and procedure. to be successful in the role you will need to be inspirational and value led individuals and have a keen interest in achieving success with adult offenders.

Duties and Responsibilities include but are not limited to:

* Co-ordinating and delivering a vocational competency based curriculum in scaffolding up to Level 3 using awarding body standards; assessing learners work and raising their aspirations through constructive feedback and appropriate support.
* Assessing and verifying learners’ work. Establishing and maintaining strong relationships with awarding bodies and ensuring that regular quality improvement meetings are held.
* Pro-actively developing links with external agencies and organisations that can contribute to the delivery of the planned scaffolding programme

We are seeking teachers with:

* A background/experience within the scaffolding and or building and construction industry; who would like to broaden their experience in working with a rewarding group within a unique environment.
* Proven experience of supporting others in developing technical /vocational skills.

As part of our pre employment screening procedures a DBS plus Secure Training Centre Vetting will be required should you be offered the role alongside 5 years reference history.
