30 Days Holiday plus Bank Holidays

Local Government Pension Scheme

Do you want to work in a cutting edge department with state-of-the-art facilities?

We have invested millions of pounds in our Engineering Resource Centre to give students the best experience and environment to learn and work. The Engineering provision at Oaklands College is extensive and offers courses through to Level 6 BSc (Hbn) degree. We offer a range of disciplines from mechanical engineering, civil engineering, aeronautical engineering to electronics and maintenance engineering.

The role will be to support our students in the workplace and within the college environment through to the completion of their course. As a Senior Assessor, you will be assessing apprentices and NVQ's at level 2, 3 and 4.

You should have an Engineering background and relevant subject specific qualifications at Level 3 and/or 4, an advantage would be for candidates to have Electrical Engineering experience.

Candidates should have relevant Electrical Engineering sector background and hold the following;

- Hold assessor award or equivalent for a minimum of 2 years
- Holds the minimum of Level 3 subject specialist qualification
- 3 years relevant industry experience and evidence of CPD in the subject specialism where required
- Hold relevant D34, V1 or IAQA qualification

We will offer the right candidate the exciting prospect of being part of a dynamic team in a thriving industry sector, playing an integral part in our students' career aspirations and journey. Full support is given throughout your career at Oaklands.

Due to the nature of the role, you will be required to travel between various sites and employers in the Hertfordshire region; standard mileage rates will be paid.

## Safeguarding Statement:

Oaklands College is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment.
