As one of the largest sixth form colleges in London (more than 2,500 students), we are a non-selective, diverse and secular college, proud to have launched over 50,000 young people onto university, training and employment since we were founded in 1992. Our results for A-Levels and vocational study are impressive – in 2019, a massive 90% of applicants progressed to university and we were also rated by Ofsted as 'outstanding' for Personal Development, Behaviour and Welfare (PDBW) and 'good' for overall effectiveness.

The college combines great facilities with quality teaching and high standards, including a new multi-million pound building, providing state of the art technology enabled learning resource centre, drama studio and café.

We have exciting opportunities for enthusiastic Learning Support Practitioners to join our Inclusive Learning Team. You will support students develop their academic and vocational knowledge and skills that relate to their chosen programmes of study at every level, from Entry 1 to A2 students, to achieve their educational aspirations.

Please see attached job description and person specification for more information on this vacancy.

We are also looking to create a pool of sessional learning support practitioners to provide cover as and when required. Please indicate on your application form if you will be interested in this.

Please note that we do not accept CVs.
